## ANNUAL STATISTICS OF THE CHURCHES

The statistics are collected by the Registrars of the conferences and compiled by Mrs. Mildred Steele, Editor-Secretary of the Year Book. They are of date of January 1, 1961, and cover the year 1960. Changes in pastorates are corrected as far as reported until copy is complete. Such revisions and author's corrections in statistics are not involved in the summaries. Money received in any national, district or state office to and including January 10th is credited to the preceding year unless otherwise requested. Persons noting errors are earnestly requested to report the same to the Registrars of the conferences.

In the following pages each church is listed under the Conference or Convention in which it is enrolled. These Conferences and Conventions do not always follow state lines. If you have difficulty in locating statistics for a particular church, **consult the geographical index** which follows the General Index, and look there for the state in which the church is located. This index lists each page of the Year Book on which churches in that state appear.

The tables are *not a postal guide*. For **full names and addresses of ministers** refer to alphabetical lists in the back of the book. Names of church clerks, Sunday School superintendents, church treasurers, treasurers of benevolences and chairmen of boards of trustees and deacons, are on file in state offices, as are also certain other data.

The first name in the list of churches is usually the name of the town or city in which the meeting house is located. This is also the name of its post office unless followed by a name in heavy type. If this postal word is an adjective it goes with the preceding name, e.g., Newton, **West**, signifying West Newton.

**Abbreviations in schedule headings are;**

"Ord." — Ordained

"C." — Confession

"Cld." — Called

C.H.E.F. — Christian Higher Education Fund

"Ab." — Absentee

**Reference marks are used as follows;**

y Pastor serves more than one church. (See list of yoked churches in Conference Summary.)

i Pastor installed by Council

r Pastor recognized by Council

\* Value of church property includes parsonage

c Church School membership includes Cradle Roll

★ Per Capita (based on total membership) paid in full by church

— No answer can be given

A pastor's name italicized signifies that he is not in full standing as a Congregational Christian minister, nor a denominational licentiate, nor an approved lay preacher, nor a candidate in care of a local association.

||When a church has made no report, figures from the previous Year Book are inserted for Total and Absent Members, Average Attendance, Church School and Young People's Organizations, Home Expense and Property Value and marked with || before Total in Members' Column of the statistical report. This is done that these items may be included in the summaries and comparative tables, thus minimizing the danger of falsifying the comparisons.

† Where a Congregational Christian church and an Evangelical and Reformed church have come together to form one church in the United Church of Christ (U.C.C.), a dagger (†) is used before the figures for members, apportionment (OCWM), and other gifts (non Cong. Chr.), to indicate that these figures are reported on a ratio basis and are actually for Congregational Christian members, apportionment and other gifts only.

Under church "Members" the number "Absent" are included in the "Total." Amount of "Home Expenses" includes all salaries, together with missionary aid received, operating expenses and repairs for church, Church School, choir and parish.

The **Value of Church Property** is given in thousands or more. i.e., 12 = twelve thousand; 1,500 = one million five hundred thousand.

The Woman's Gift is included in the apportionment columns of each state. The apportionment figures in the schedules are those reported by the state treasurers.

The Summaries give important data by conferences in Table I, and national data by years in Table II. Other items appear in the Supplementary Summary. Additional totals appear in footings of conference schedules.

**For last minute revisions see page following Ministers in Full Standing list.**

**Send change of address and pastorate to your Conference and to the Year Book Dept. of The General Council, 287 Fourth Ave., New York 10, N. Y.**

## TWENTY-ONE QUESTIONS AND ANSWERS ABOUT CONGREGATIONAL CHRISTIAN BENEVOLENCES

### 1. WHAT IS INCLUDED IN THE TERM DENOMINATIONAL "BENEVOLENCES"?

All gifts (from churches, church schools, young people's societies, missionary societies, other organizations in the church and from individuals) for the work of the denomination as represented by the Conference, American Board of Commissioners for Foreign Missions, Board of Home Missions, Annuity Fund, Council for Social Action, and the Congregational Christian Service Committee.

### 2. HOW ARE CHURCH BENEVOLENCES REPORTED?

As Our Christian World Mission: (A) Regular apportionment for Conferences and Boards, including Authorized Specials; (B) Special Apportionment (Christian Higher Education Fund) for Board of Home Missions, American Board of Commissioners for Foreign Missions and Conferences; (C) as Other Gifts: *a* to Congregational Enterprises; *b* to non-Congregational Christian Enterprises.

### 3. WHAT IS THE APPORTIONMENT?

The several Congregational Christian organizations make up their budgets for the year, anticipating estimated receipts. These budgets, collectively, are known as the Regular Apportionment. All Gifts from individuals or from organizations for the regular budgets of the organizations sharing in the apportionment plan are credited to the Regular Apportionment, Gifts to Authorized Specials being included. The Christian Higher Education Fund is known as the Special Apportionment. It augments the work of the Board of Home Missions, the American Board and the Conferences in the field of christian higher education.

### 4. WHAT ARE AUTHORIZED SPECIALS?

Gifts, from individuals or from organizations of the local church for objects specifically authorized by the directors of a Board, organization or Conference, intended to meet approved needs outside the regular budgeted work, are known as authorized specials and receive Regular Apportionment credit.

### 5. WHAT ARE "OTHER GIFTS"?

Gifts whether from individuals or from organizations for work outside the regular budgets and the authorized appeals of the organizations and conferences, such, for example, as "The Christmas Fund" of The Congregational Board of Ministerial Relief, are known as "Other Gifts". Gifts to particular persons of institutions for improvement, extension of work, scholarships and personal needs not specifically authorized by the directors of a Board or Conference are also in this category. "Other Gifts" may be reported to the State office and credited to the church, in the Year Book, in the column "Other Gifts".

### 6. WHAT IS THE APPORTIONMENT REPORT FOR EACH CHURCH?

The amount which a church, its organizations and members contribute to the regular budgets and Authorized Specials of the Conference and National Boards as reported annually in the Congregational Christian Year Book.

### 7. WHAT IS THE REGULAR APPORTIONMENT GOAL FOR EACH CHURCH?

After the Boards and societies adopt their budgets for the year the Missions Council recommends that each Conference or Convention assume its proportionate share of the total. In turn each Conference or Convention breaks down its recommended goal according to the estimated strength of each church. When a Conference or Convention does not suggest an apportionment goal for each church, the Conference Committee on Our Christian World Mission or Stewardship and Missionary Education frequently recommends a goal on the basis of the national average.

### 8. HOW IS THIS REGULAR APPORTIONMENT OBTAINED?

Through pledges. Through budgeting by the church. Through special contributions.

### 9. WHAT SHOULD THE CHURCH TREASURER DO WITH APPORTIONMENT MONEY?

He should send it to the Conference or Convention or district headquarters at regular intervals, monthly or quarterly.

### 10. WHY IS THE MONEY SENT TO THE CONFERENCE OR CONVENTION OFFICE RATHER THAN DIRECT TO THE SOCIETIES?

Because these offices keep the church-by-church records of apportionment giving and are responsible for the annual report for the Year Book.

### 11. WHAT IS THE APPORTIONMENT YEAR?

The calendar year with ten days grace allowed. All remittances should be in the Conference, Convention or district office before January 10th.

### 12. WHEN FORWARDING MONEY TO THE CONFERENCE OR CONVENTION OFFICE IS IT NECESSARY TO DESIGNATE PARTICULAR SOCIETIES?

Only when the donor or the church desires to make such designations, otherwise, the Conference or the Convention office will divide the remittance on the basis set by the Conference or Convention. If a church desires its contribution divided on a different basis, it should so direct and its instructions will be followed.

### 13. WHAT ARE DESIGNATED GIFTS?

Gifts specified for a particular organization or purpose. The Conference or Convention office should be advised of the designation. Credit is given as "Regular Apportionment" or "Special Apportionment" or "Other Gifts" depending upon the object designated by the donor. (See paragraph 3 above.)

14. WHAT INFORMATION SHOULD BE GIVEN REGARDING DESIGNATED GIFTS?

(1) The amount; (2) for what organization or "project"; (3) the name of the individual or organization making the gift; and (4) to whom receipt is to be sent; also (5) whether or not Apportionment credit is desired for what local church.

15. WHAT HAPPENS WHEN GIFTS ARE SENT DIRECTLY TO THE BOARDS AND AGENCIES FOR THEIR REGULAR BUDGETS?

The national organization reports these gifts back to the Conference or Convention office and if the church has been mentioned, credit is given. If no church is named, credit is given to the Conference or Convention under "Gifts" — church undesignated".

16. WHAT BECOMES OF APPORTIONMENT CONTRIBUTIONS AFTER REACHING THE CONFERENCE OFFICE?

The Superintendent or Treasurer transfers to the Conference or Convention treasury for Conference or Convention work the percentage as determined by the Conference or Convention. The balance is divided among the national boards according to the percentages adopted by the Conference or Convention.

17. WHAT IS THE RECOMMENDED DIVISION OF UNDESIGNATED APPORTIONMENT?

While the percentages retained for Conference or Convention work differ, the division for the Boards recommended by the Executive Committee of the General Council for the Regular Apportionment in 1961 is as follows:

American Board of Commissioners for Foreign Mission.....	37 %
The Board of Home Missions of the Congregational and Christian Churches.....	37 %
The Annuity Fund for Congregational Ministers.....	9½%
Council for Christian Social Action.....	5½%
The Congregational Christian Service Committee, Inc.....	11 %
The percentage distribution of the Special Apportionment (Christian Higher Education Fund) is as follows:	
The Board of Home Missions of the Congregational and Christian Churches.....	40%
The American Board of Commissioners for Foreign Missions.....	40%
Each Conference.....	20%

18. FROM WHAT SOURCES IS THE INCOME OF THE BOARDS?

- Contributions
  - Legacies and Matured Conditional Gifts
  - Income from Investments
  - Miscellaneous
- (These last three categories often nearly equal the contributions of living donors and in the case of the Board of Home Missions greatly exceed them.)

19. HOW ARE CONTRIBUTIONS TO THE BOARDS AND AGENCIES USED?

In brief, to support and promote Our Christian World Mission, which enables your denominational organizations to carry on both at home and abroad: —  
the up-building of the life of the church through enlisting, training and refreshing its leaders: giving aid to the establishment of new churches;  
the communication of the Gospel to those outside the life of the churches — i.e. evangelism through many media;  
the penetration of the surrounding culture with Christian ideals of a responsible society, Christian action in the common life for the overcoming of race and class tensions.  
Specifically: it founds new churches at home and abroad and assists those already established in time of special need; it promotes a full educational program for local churches; it provides livelihood for aged ministers and widows of ministers; it operates and undergirds schools and colleges at home and abroad carrying on a program of Christian higher education and a broad Christian ministry to students in colleges and universities; it carries on other related enterprises on behalf of the churches too numerous to recount here. It does these and other things to establish the Kingdom of Christ at home and abroad.

20. WHAT IS THE WORK OF THE CONGREGATIONAL CHRISTIAN SERVICE COMMITTEE?

This organization has a two-fold function. The first is distributing to Relief and Reconstruction projects the contribution from the One Great Hour of Sharing and from the 11% of the regular church contributions. These projects include Church World Service of the National Council of Churches, the program of Inter-Church Aid and Service to Refugees of the World Council of Churches, The Emergency Program of the Board of Home Missions, and the Chaplaincy Service of the General Council and other similar projects. Its second function is that of operating eleven Service projects in different countries of Europe and Asia. It also receives and forwards gifts designated for the American Bible Society, United States Conference for the World Council of Churches, Heifer Project, Meals for Millions, College Cevenol, CARE, CROP and Share Our Surplus, Pearl Harbor Memorial Church, Pusan, Korea, Hospital and Midwifery School Building Project and HELP. Apportionment credit is given for such gifts.

21. WHERE CAN A CHURCH SECURE FURTHER INFORMATION ABOUT OUR CHRISTIAN WORLD MISSION?

From its Conference or Convention office, or from the Missions Council, 287 Park Avenue South, New York 10, New York; 14 Beacon Street, Boston 8, Massachusetts or 19 South La Salle Street, Chicago 3, Illinois.

†† Apportionment giving for 1960 is below that for 1959, due in part to conversion of Conference Year to the Fiscal Year making it necessary to have a 14-15 month year in 1959 as against a 12 month year in 1960.

\* Includes churches united

† Congregational Christian Ministers in full standing

‡ Based on what it costs to maintain pastors annually.

Does not include part-time.

\*\* Because the Value of Church Property is now reported to the nearest thousand the gain or loss could not be figured accurately for 1960. For 1960 the gain is shown for the total only. The individual gain or loss will again be shown beginning with 1961.

## VOTES BY EXECUTIVE COMMITTEE

On January 31, 1958, the Executive Committee adopted the following two votes:

"**VOTED:** That the Conferences and Conventions shall be requested to advise the churches in connection with the 1958 solicitation of the per capita or fellowship dues in the churches of the desire and intention of the General Council to use a portion of such funds and the funds of ensuing years to meet its share of the expense of the activities of the General Synod of the United Church of Christ; and further

"**VOTED:** That the General Council and its Executive Committee may use such portion of such funds and other income of the General Council as they shall deem appropriate for such purposes, except that they shall not so use any portion of a payment by a Conference, Convention or Church as to which a Conference or Convention shall advise that such portion of its respective payment may not be used for such purposes."

Thus a distinction is made between the money which may and which may not be used to meet the General Council's share of the expenses of the General Synod of the United Church of Christ. The statement of the Operating Funds and Unrestricted Reserves has been subdivided by means of Columns A and B to reflect these two categories.

NOTE A: The market value of the investments at December 31, 1960 were as follows:

95,696 Units of Participation in Common Investment Fund @ \$1.305 per unit . . .	\$124,883.28

TOTAL . . . . .	<u>\$303,143.09</u>

This valuation was not available before the books were closed. It was anticipated that the market value of the 54,816 units applicable to the Unrestricted Funds might be less than their cost. To reflect this possibility a reserve against market fluctuations was created. Since it subsequently developed that the reserve was not necessary, this reserve was reversed early in 1961.

NOTE B: Restricted Funds "A" consists of two bequests, the principal of which may not be used.

NOTE C: Standing Rule No. 7 subsequent to amendment at 1958 meeting of the General Council requires the Executive Committee to make adequate provision for the Travel Fund as first charge against the per capita or fellowship dues. The Executive Committee appropriated \$10,000 for this purpose in 1960.

## CONSTITUTION, BY-LAWS AND STANDING RULES OF THE GENERAL COUNCIL

*As Amended at the Meeting Held in Boston, Massachusetts  
June 24-30, 1958*

The Congregational Christian churches of the United States by delegates assembled, reserving all the rights and cherished memories of their historic past and affirming loyalty to the basic principles of unity and democracy in church polity, hereby set forth the principles of Christian fellowship immemorially held by these churches.

We hold sacred the freedom of the individual soul and the right of private judgment. We stand for the autonomy of the local church and its independence of ecclesiastical control. We cherish the fellowship of churches, united in district, state and national bodies for counsel and cooperation. Affirming these convictions we hold to the unity of the Church of Christ, and will unite with all its branches in fellowship and hearty cooperation; and we earnestly seek that the prayer of our Lord for the unity of his followers may be speedily answered.

We find in the Bible the supreme rule of faith and life, but recognize wide room for differences in interpretation. We therefore base our union upon the acceptance of Christianity as primarily a way of life and not upon uniformity of theological opinion or any uniform practice of ordinances.

United in these principles and in accordance with the Plan of Union adopted by their national bodies in 1929, the Congregational and Christian Churches in general council assembled agree in adopting the following constitution.

### CONSTITUTION

#### *I. Name*

The name of this body shall be The General Council of the Congregational Christian Churches of the United States until such time as a more inclusive name shall be chosen.

#### *II. Purpose*

The purpose of the General Council is to foster and express the substantial unity of the Congregational Christian Churches in faith, purpose, polity and work; to consult upon and devise measures and maintain agencies for the promotion of the common interests of the kingdom of God; to cooperate with any corporation or body under control of or affiliated with the Congregational or Christian churches or any of them; and to do and to promote the work of these churches in their national, international, and interdenominational relations, and in general so far as legally possible to perform on behalf of the united churches the various functions hitherto performed by the National Council for the Congregational churches and by the General Convention for the Christian churches, it being understood that where technical legal questions may be involved the action of the separate bodies shall be secured.

#### *III. Membership*

##### 1. VOTING MEMBERS.

(a) *Delegates-at-large.* Each State or District Conference or Convention shall be entitled to one delegate-at-large for the first full 5,000 members, and also one additional delegate-at-large for each successive 5,000 members or major fraction thereof.

Each State or District Conference or Convention shall determine by vote at an annual meeting the method of nomination and election of its own delegates-at-large.

(b) In addition, the superintendent, minister or chief executive of each Conference or Convention shall be a full delegate to the General Council meeting.

(c) *Association Delegates.* The number of delegates and alternates to be elected by each Association shall be determined in the following manner: Churches in the Association having a membership of 1,000 members or more shall each be entitled to have one delegate and alternate for each 1,000 members; the remaining membership of the Association, including the fractional portion of the membership of a church having more than 1,000 members, shall be entitled to have one delegate and alternate for each 1,000 members or major fraction thereof.

The manner of election of delegates and alternates shall be as follows: Each church having 1,000 members or more shall be invited to nominate to the Association the number of delegates and alternates to which it is entitled; each church having less than 1,000 members shall be invited to nominate to the Association one delegate and alternate; delegates and alternates in the number determined as stated above shall be elected by the Association from among the nominees thus nominated. Any Association having fewer than 1,000 members shall be entitled to one delegate. Delegates elected by the Association shall be certified by the Conference.

In the choice of delegates from the churches in the Association a pattern of rotation shall follow wherever possible so that no delegate will ordinarily serve in that capacity at successive General Council meetings; but in circumstances that make it appear that the Conference and Associations would be better represented by allowing a delegate to succeed himself such succession is permitted.

When an Association is entitled to five or more delegates not more than 60 percent of its delegation shall be ministers, and not more than 60 percent lay members. There shall be equitable representation of men and women.

Any licensed or ordained pastor regularly serving a Congregational Christian church and approved by the Association shall be eligible to be elected a delegate in the ministerial category.

If an Association fails to elect its full proportionate number of delegates, the Conference or Convention or its board of directors at a duly called meeting may fill vacancies in that Association's delegation according to the rules set forth above. If the Conference or Association does not have its full delegation seated when the General Council convenes, it shall if possible be completed by vote of the delegates of the Conference or Convention according to the rules set forth above. If no one of the proper classification is available from that Association then the vacancy may be filled from some other Association or classification in the Conference or Convention by vote of the delegates of the Conference or Convention present twelve hours thereafter.

In case a Conference has no Associations, it shall be allowed delegates to the number it would have if it were both a Conference and an Association.

The superintendent, minister or chief executive officer of each Conference or Convention who is present shall be the convener of his Conference or Convention delegation.

(d) Any delegate who shall remove his active membership from a church of the Conference or Association by which he has been elected shall be deemed by that fact to have resigned his membership in the Council, and the Conference or Association, as the case may be, may proceed to fill the unexpired term as previously provided for.

(e) A representative of each college and theological seminary recognized by the General Council as affiliated with or cooperating with it, and editors of national church periodicals, together with the moderator or moderators and assistant moderators, the

members of the Executive Committee of the General Council, the secretaries and treasurer of the General Council, and the national presidents of the Laymen's Fellowship, the Women's Fellowship and the Pilgrim Fellowship, shall be voting members *ex officio*.

2. **HONORARY MEMBERS.** Former moderators, associate moderators and assistant moderators of the General Council and the National Council, former presidents and vice-presidents of the General Convention, superintendents of City Societies, ministers serving the churches entertaining the Council, persons selected as preachers or to prepare papers, or to serve upon committees or commissions chosen by the Council, missionaries present, who are in the service of the American Board of Commissioners for Foreign Missions, and have not less than five years in that service, or in similar service of the Christian Church, executive officers of national missionary societies whose scope of responsibility is co-extensive with the nation, may be enrolled as honorary members and shall be entitled to all privileges of members in the meeting of the Council except those of voting and initiating business. Any person appointed by a national missionary society as a corporate member shall have the right to the floor when matters affecting that society are under discussion.

3. **ECUMENICAL MEMBERS.** Every communion connected with the National Council of the Churches of Christ in the United States of America, together with such other communions as may be named by the General Council, may be represented by two delegates, who shall have the status of ecumenical members and as such enjoy all the privileges of members except that of voting.

4. **CORRESPONDING MEMBERS.** The General Council shall not increase its own voting members except by due amendment of this constitution, but members of other denominations (other than ecumenical members) present by invitation or representing their denominations, representatives of Congregational bodies in other lands, and other persons present who represent important interests or have rendered distinguished services may by vote be made corresponding members and entitled to the courtesy of the floor.

5. **TERMS OF MEMBERSHIP.** The term of delegates shall be two years. Elections to fill vacancies shall be for the remainder of the unexpired term.

The term of a member shall begin at the opening of the next stated meeting of the Council after his election, and shall expire with the opening of the next stated meeting of the Council. He shall be a member of any intervening special meeting of the Council.

#### *IV. Officers and Committees*

Officers and committees shall be named as provided for in the by-laws and standing rules.

#### *V. Meetings*

1. Regular meetings of the General Council held after the 1958 meeting shall be held in 1961 and biennially thereafter in the odd-numbered years, the exact time and place to be fixed by the Executive Committee and announced at least six months in advance of each meeting.

2. Special meetings shall be convened upon the call of the Executive Committee or whenever any seven of the general state organizations of Congregational, Christian, or Congregational Christian churches, so request.

3. A quorum shall consist of delegates present from a majority of the states entitled to representation in the General Council.

## VI. By-Laws

The General Council may make and alter by-laws at any stated meeting by a two-thirds vote of the members present and voting, provided that no new by-laws shall be enacted and no by-laws altered or repealed on the day on which the change is proposed.

## VII. The Corporation

1. The Corporation for the General Council of the Congregational Christian Churches of the United States shall consist of fifteen persons elected by the Council in addition to the moderator and secretary of the Council *ex officio*.

2. At the meeting of the Council in 1934 there shall be elected fifteen members of the Corporation, five of whose terms shall expire in 1936, five in 1938 and five in 1940. At each subsequent biennial meeting of the Council a successor to each member shall be chosen for a term of six years. The Council or its Executive Committee between meetings of the Council may fill vacancies for the unexpired terms. At least two of the persons elected at each biennial meeting shall be persons not then members of the Corporation.

3. The Corporation shall have a treasurer. He shall administer his office as the by-laws of the Corporation may provide.

4. The Corporation shall have power to receive and hold any property, real and personal, of the Council, and all property, real and personal, which may be conveyed to it in trust, or otherwise, for other purposes approved by the Corporation within the scope of its charter; and acting for the Council between the meetings of the Council in all business matters not otherwise delegated or reserved, shall do such acts and discharge such trusts as properly belong to such a corporation and are in conformity with the constitution, rules, and instructions of the Council.

5. The Corporation may adopt for its government and the management of its affairs standing by-laws and rules not inconsistent with its charter nor with the constitution, by-laws, rules, and resolutions of the Council.

6. The Corporation shall make such reports to the Council as the Council may require.

## VIII. Amendments

This constitution shall not be altered or amended except at a biennial or adjourned meeting and by a two-thirds vote of those present and voting, notice thereof having been given at a previous stated meeting, or the proposed alterations having been requested by some State or similar general organization of churches entitled to representation in the Council and published with the notification of the meeting.

## BY-LAWS

### I. Meetings

1. Meetings shall ordinarily be held in the spring or early summer.

2. The call of the meeting shall be issued by the Executive Committee and signed by its Chairman and by the Secretary of the General Council.

3. Until such time as these bodies may be dissolved, meetings of the General Convention of the Christian Church and of the National Council of the Congregational Churches may be called for the same hours as for the General Council, making possible the transaction of business by either of those bodies, its own members only voting, without the adjournment of the General Council.

4. The first concern of the General Council shall be the transaction of the business intrusted to it by the Churches, and the General Council may meet in separate or executive session during the delivery of public addresses whenever the necessity of business may appear to require it.

## II. Officers

1. **MODERATOR.** The Moderator shall be elected by the General Council. Election shall be from nominations made from the floor. Such election shall be held at the first business session of the biennial meeting. The Moderator shall take office upon adjournment of the biennial meeting at which he was elected, and shall hold office for two years or until the election of his successor.

The Moderator of the National Council of Congregational Churches, the President of the General Convention of the Christian Church, if and as long as it is found necessary for these organizations to be maintained, the President of the American Board of Commissioners for Foreign Missions and the President of the Board of Home Missions except as one of these four may have been chosen Moderator, shall be assistant moderators of the General Council, the order of precedence being as named. Additional assistant moderators may be elected if thought desirable by the Council.

The Moderator, or in his absence, or at his request, one of the assistant moderators, shall preside at the meetings of the General Council. The Moderator may deliver an address upon a subject of his own selection at the opening of the meeting of the General Council over which he presides. The representative functions of the Moderator shall be that of visiting and addressing churches, conferences, associations, and conventions upon their invitation, and of representing the Council in the wider relations of Christian fellowship so far as he may be able and disposed. It is understood that his personal acts and utterances have no authority from or upon the General Council or its constituent groups. In the case of a vacancy in the office of Moderator the assistant moderator next in order shall become Moderator for the unexpired term.

2. **SECRETARIES.** The Secretaries shall be elected by the Council. For such election nominations shall be made by the Executive Committee. The Secretaries shall do their work under the general direction of the Executive Committee.

(a) There shall be a Secretary, who shall have oversight of the interests and work of the Council. He shall be the statistician and editor of the Year Book and other regular documents of the Council. He shall maintain a complete necrology of Congregational Christian ministers. He shall send out the notices and conduct the correspondence of the General Council and of its Executive Committee.

For his aid one or more assistants may be chosen at each meeting of the Council to serve during such meeting.

The Secretary shall also be Minister of the General Council and render to the churches such services as shall be appropriate to his office. He shall aid the Committees and Commissions of the Council and shall be available for advice and help in matters of policy and constructive organization, especially in realizing the objectives of By-Law III.

An assistant treasurer or assistant treasurers may be elected at the will of the General Council or be appointed by the Executive Committee.

4. The terms of office of the Secretary, Treasurer, and of any other officers not otherwise provided for, shall begin January 1, following the meeting at which they are chosen and continue for two years and/or until their successors take office.

### III. Committees and Commissions

1. THE EXECUTIVE COMMITTEE. The Executive Committee shall be composed of the Moderator *ex officio*, with eighteen members so chosen that the term of each shall ultimately be six years, six retiring at each stated meeting of the General Council. The Secretaries shall be corresponding members without vote. No person shall be eligible to successive reappointment on this committee after having served a full term of six years until two years shall have elapsed. Due notice having been given to all members, five shall constitute a quorum.

The Executive Committee shall be the General Council *ad interim* and shall transact such business as the Council shall from time to time direct and in the intervals between meetings of the Council shall represent the Council in all matters not otherwise provided for.

(a) It shall have authority to contract for all necessary expenditures and to appoint one or more of its number who shall approve and sign all bills for payment; shall consult the interest of the Council and act for it in intervals between meetings in all matters of business and finance, subject to the direction of the Council; and shall make a full report of all its doings, the consideration of which shall be first in order of business after organization, at biennial meetings. Questions of polity not clearly defined by the Council shall be determined by the Executive Committee *ad interim*.

The Committee may submit to the Council for consideration any recommendations it may deem useful for the development of the efficiency of the organization, life, and work of the denomination.

(b) It may fill any vacancy occurring in its own number or in any commission, committee, or office in the intervals of meeting, the person so appointed to serve until the next meeting of the Council.

(c) It shall appoint any committee or commission ordered by the Council, but not otherwise appointed; and committees or commissions so appointed shall be entered in the minutes as by action of the Council.

(d) Except as the Council may have made definite decisions, it shall select the place, and shall specify in the call, the place, and precise time at which each meeting of the Council shall begin. In making these decisions the Committee shall take the American Board and the Board of Home Missions into consultation.

(e) It shall provide a suitable form of voucher for the expenditures of the Council, and shall secure a proper auditing of its accounts.

(f) It shall prepare a definite program for the Council, choosing a preacher and selecting topics for discussion and persons to prepare and present papers thereon.

(g) It shall assign a distinct time, not to be changed except by special vote of the Council, for

(i) The papers appointed to be read before the Council;

(ii) The commissions appointed by one Council to report at the next, which may present the topics referred to them for discussion or action;

(iii) The benevolent societies and theological seminaries.

All other business shall be set for other specified hours, and shall not displace the regular order, except by special vote of the Council.

(h) While the Executive Committee shall not be charged with the details of the administrations of the several national agencies, it shall be its duty to consider the work of the organizations named in By-Law IV, to prevent duplication of activities, to effect all possible economies of administration, to correlate the work of the several organizations, together with their publicity and promotional activities, so as to secure the maximum of efficiency with the minimum of expense. It shall have the right to examine the annual budgets of the several organizations and have access to their books and records. It may freely give its advice to the said organizations regarding problems involved in their work, and it shall make recommendations to the several organizations when in its judgment their work can be made more efficient or economical. It shall make report of its actions to the General Council at each stated meeting of that body, and present to said Council such recommendations as it may deem wise for the furtherance of the efficiency and economical administration of the several organizations. It shall study the relative needs of the various denominational agencies, state and national, and recommend the apportionment percentages for the distribution of benevolent contributions.

(i) The Executive Committee shall serve as a Business Committee as provided in Section 3 below. It shall appoint official representatives to serve on the Board of Directors of the Congregational Christian Historical Society. It may appoint other special committees to deal with phases of work not covered by other agencies as need arises.

(j) The Executive Committee shall have the power to appoint an Advisory Committee from its own number which shall act for it between its meetings, with such limitations and powers as the Executive Committee may direct.

2. COMMITTEE ON CREDENTIALS. At each meeting of the General Council there shall be elected on nomination of the Nominating Committee a Chairman of a Committee on Credentials to serve at the next regular or special meeting of the General Council. Prior to that regular or special meeting the Executive Committee shall appoint at least four other members of the Committee on Credentials to serve at that meeting. This committee shall prepare and report as early as practicable a roll of members determined by the presentation of credentials from electing bodies. In cases of conflicting credentials reference may be made to the General Council for decision.

If more delegates are appointed by any constituent body than it is entitled to, they shall be enrolled in the order of presentation of their credentials up to the limit fixed by the constitution.

3. BUSINESS COMMITTEE. The Executive Committee shall serve as the Business Committee of all regular and special meetings. As the Business Committee it shall prepare a docket for the business sessions of the Council and shall have sole authority to call extra hearings or special business sessions of the General Council unless otherwise ordered by the Council. Except the business contained in the annual report of the Executive Committee and the work of the Nominating and Resolutions Committees and the appointment of new permanent commissions, all Council business shall first be presented to the Business Committee. This Committee may decline to make any report or may present a motion to the Council with a brief explanation of its position, favoring such business in complete or amended form, or may present a dissenting motion. The General Council may at its pleasure consider any item of business either suppressed or altered by the Committee.

4. NOMINATING COMMITTEE. The Nominating Committee shall consist of twelve members to be elected by the General Council on the nomination of a committee com-

posed of the Moderator, assistant moderators, president of the Superintendents' conference, and the chairman of Woman State Presidents. Six members shall be chosen for two years and six for four years, and thereafter members shall be chosen for four years. Members of the Nominating Committee who have served for a full term shall not be eligible for reelection until after an interval of two years. This Committee shall be recognized biennially for service from the close of one stated meeting until the close of the following stated meeting of the Council. This Committee shall nominate to the General Council all officers, committees, and commissions for which the Council does not otherwise provide; but the Council may at its pleasure choose committees, commissions, or officers by nomination from the floor or otherwise, as it shall from time to time determine.

5. **COMMITTEE ON RESOLUTIONS.** At the end of each regular meeting of the General Council the incoming Moderator, with the approval of the Nominating Committee, shall appoint the chairman of a Committee on Resolutions to serve at the next regular and/or special meeting of the Council. At the opening session of the next regular or special meeting the Moderator shall appoint six other members to serve at that meeting. Before the Council meets, the Moderator shall publish in the national denominational paper and in the state conference papers a request that persons who have resolutions or subjects for resolution to present to the coming Council send them to the chairman of the Committee on Resolutions. It shall be in order for the Council at any time to change the size and composition of the Committee on Resolutions.

6. **COMMISSION ON THE MINISTRY.** The Commission on the Ministry directly or through sub-committees shall give attention to standards for the ministry and processes for maintaining them, to the recruiting of an adequate number of properly qualified candidates for the ministry, to the securing of uniformity among the Conferences and Associations on standards and the holding of ministerial standing, to the reception of ministers from other denominations, and to the developing and strengthening of the intellectual life, the Christian experience, and the practical efficiency of persons already in the ministry; it shall also stand ready to collaborate with the state and city superintendents in the development of feasible processes of cooperation in serving the churches and ministers in the settlement of pastors.

7. **COMMISSION ON STEWARDSHIP.** The Commission on Stewardship shall study and report on the question of the cultivation among the people of the churches of an understanding of and a commitment to the principles of Christian stewardship in the broadest and most vital sense of the term, the Commission shall also cooperate with the Missions Council and its committees in this field.

8. **COMMISSION ON INTERCHURCH RELATIONS AND CHRISTIAN UNITY.** The Commission on Interchurch Relations and Christian Unity shall devote itself to a careful study of all phases of interchurch relations including local and general expressions of Christian fraternity and cooperation such as federated churches, federations of churches, cooperative enterprises, and comity in educational and missionary work; it shall make a study of church union, including its objectives, its feasibility, and its processes; it shall cultivate friendly relations with other bodies of Christians for the sake of those relations in themselves and in the hope of consummating further union; and it shall cooperate with like bodies of other denominations in fostering the spirit of oneness among the followers of Christ.

9. **OTHER COMMISSIONS.** Temporary commissions may be appointed at the will of the Council.

The Executive Committee shall designate one of the Secretaries of the General Council for executive service with each commission.

Commissions except as charged with specific studies upon which they are to report to the Council shall do their work under the general direction of the Executive Committee.

10. Other committees and commissions may be named by the Council as it shall from time to time determine and as is provided in the standing rules.

11. Each member and officer of every committee and commission shall hold office for the term provided in these By-Laws or until his successor is chosen.

#### IV. *National Societies*

The following shall define the relation of the national societies to the General Council:

The foreign missionary work of the Congregational Christian Churches shall be carried on under the auspices of the American Board of Commissioners for Foreign Missions; and home missionary and educational work of these churches under the auspices of the Board of Home Missions.

##### 1. THE AMERICAN BOARD OF COMMISSIONERS FOR FOREIGN MISSIONS.

This Board shall be the agency of the Congregational Christian Churches for the extension of Christ's kingdom abroad.

(a) *Membership.* The voting membership of the American Board shall consist of two classes of persons. (i) One class shall be composed of the members of the General Council who shall be deemed nominated as corporate members of the American Board by their election and certification as members of the said General Council, said nominations to be ratified and the persons so named elected by the American Board. Their terms as corporate members of the American Board shall end, in each case when they cease to be members of the General Council. (ii) There may also be chosen by the American Board two hundred and fifty corporate members-at-large, at least one-third of whom shall be women. The said two hundred and fifty corporate members-at-large shall be chosen in two approximately equal sections, and so chosen that the terms of each section shall be ultimately four years, one section being chosen every second year at the meeting in connection with the meeting of the General Council. No new voting members, other than herein provided, shall be created.

(b) *Officers and Committees.* The officers and committees of the American Board shall be such as the Board itself may from time to time determine.

(c) *Meetings.* Regular meetings of the American Board shall be held annually. That falling in the same year in which the General Council holds its stated meetings shall be held in connection with the meeting of said Council. Meetings in other years shall be held at such time and place as the Board may determine. Important business, especially such as involves extensive modifications of policy, shall, so far as possible, be reserved for consideration in those meetings held in connection with the meeting of the General Council.

(d) *Reports.* It shall be the duty of the American Board to make a full and accurate report of its condition and work to the General Council at each stated meeting of that body.

##### 2. THE BOARD OF HOME MISSIONS OF THE CONGREGATIONAL AND CHRISTIAN CHURCHES.

This Board shall be the agency of the Congregational Christian Churches for the extension of Christ's kingdom in the United States except as such activities are administered locally.

(a) *Membership.* The voting membership of the Board of Home Missions shall consist, in addition to such members of the Board as may be regarded as legally necessary, of two classes of persons.

(c) *Meetings.* Regular meetings of the Board of Home Missions shall be held annually. Those falling in the same year in which the General Council holds its stated meeting shall be held in connection with the meeting of said Council. Meetings in other years shall be held at such times and places as the Board itself may determine. Important business, especially such as involves extensive modifications of policy, shall so far as possible be reserved for consideration in those meetings held in connection with the meeting of the General Council.

(d) *Reports.* It shall be the duty of the Board of Home Missions to make a full and accurate report of its condition and work to the General Council at each stated meeting of that body.

3. THE COUNCIL FOR SOCIAL ACTION. This Council shall be an agency of the Congregational Christian Churches for helping to make the Christian Gospel more effective in society, national and world-wide, through research, education, and action, in cooperation with the Conferences and Associations and local churches, as well as with the Board of Home Missions and the American Board of Commissioners for Foreign Missions and with the National Council of Churches of Christ in the U.S.A. In its *research*, the Council will aim to be impartial, its only bias being that of the Christian view of life. In its statements regarding political, economic, and other social issues with which it deals the Council shall present the principal positions on which Congregational Christians may differ and may include a statement of its own position or positions in such a framework. Its *educational* efforts will be directed primarily toward the local churches but will also envisage the cultivation of public opinion. It shall devote the principal part of its resources of personnel and money to the education of members of the churches on the Christian viewpoints in social issues. It shall screen, collate, and interpret pertinent facts and place them in the hands of the churches. In *action* the Council may on occasion intercede directly in specific situations. In its pronouncements directed toward the public and to the direct advocacy of governmental action the Council shall have the affirmative vote of fourteen of its eighteen members.

(a) *Membership.* The Council for Social Action is a body created by and responsible to the General Council of Congregational Christian Churches; it comprises eighteen persons, serving on a volunteer basis, nominated by the Nominating Committee of the General Council in consultation with a nominating committee of the Council for Social Action and elected by the General Council at its biennial meeting for terms of six years each, six members being elected at each such biennial sessions. There shall be and is hereby created a Body of Associates of the Council for Social Action consisting of not more than 250 members. The Nominating Committee shall seek to obtain a balanced representation of the various occupational groups in our society. These Associates shall comprise a consultative and supporting body for the Council for Social Action, and shall have the privilege of presenting directly to the General Council the results of their deliberation on any matter affecting the Council for Social Action. They shall have the privilege of attending all meetings of the Council for Social Action and of the General Council with the right to speak but not to vote except as they are full and duly constituted members of those respective bodies. The general officers of the Council for

Social Action shall be the officers of this Body, which Body shall lend such aid, support and assistance to the Council for Social Action as the Council for Social Action may request. The first group shall be divided into three classes of two, four and six years each and thereafter members shall be elected for a term of six years at each biennial meeting of the General Council.

(b) *Officers.* The officers and committees of the Council for Social Action shall be such as the Council for Social Action itself may determine.

(c) *Reports.* It shall be the duty of the Council for Social Action to make a full and accurate report of its condition and work to the General Council at each stated meeting of that body.

### *V. Statistics*

A year book shall be published giving statistics for the organizations, institutions, churches, and ministers. So far as possible this shall be by State or Conference bounds. The Secretary shall edit the year book and shall present at each biennial meeting comprehensive and comparative statistics for the preceding biennium.

### *VI. Finances*

The General Council shall assume the cost of the work hitherto done by the National Council and the General Convention and hereby embodied in the constitution and by-laws of the General Council, including all salaries, subject to such changes in work and personnel as it may deem wise. The expenses of the General Council shall be met from contributions from the Congregational Christian churches in response to requests of the Executive Committee, also from accumulated funds and the income of permanent funds of both bodies in so far as these may be made available by action of the legal trustees.

The fiscal year shall be the calendar year.

### *VII. Standing Rules*

Standing rules may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the General Council.

Regulations adopted from time to time and calculated to be more or less permanent shall be cast in the form of standing rules.

### *VIII. Amendments*

These By-Laws may be amended as provided in Article VI of the Constitution.

## STANDING RULES

1. **REPRESENTATION.** In the election of officers, committees, commissions and boards, the General Council and its nominating committee shall give due recognition to the need of adequate representation of the various constituencies.

2. **BALLOTS.** Nominations for the Executive Committee, elected officers, committees and commissions shall be presented on printed ballots providing space for other nominations and shall be in the hands of the delegates on the day before the vote is taken. A motion to instruct the casting of a single vote for any nominee shall be in order only upon the setting aside of this rule. Pending the declaration of the result of a ballot the order of the day may proceed.

(a) Except as otherwise specifically provided in the constitution or by-laws, a majority vote of all delegates present and voting at any meeting shall be necessary for the election of officers of the General Council.

(b) Except as otherwise specifically provided in the constitution or by-laws, all ques-

tions of parliamentary procedure relating to the General Council shall be governed by Robert's *Rules of Order*.

3. **TIME FOR BUSINESS.** Ordinarily the forenoon sessions of the General Council shall be reserved for business and reports, formal and inspirational addresses being placed in the afternoon and evening sessions.

4. **TIME LIMITATION.** No speaker upon any motion or resolution or upon any paper read shall occupy more than ten minutes without the unanimous consent of the General Council. In case of discussion approaching the time limit set for it, the Moderator may announce the limitations of speeches to less than ten minutes subject to the approval of the Council.

5. **ADVANCE REPORTS.** The Secretary shall cause to be printed and sent for general discussion to all Conferences by the first day of May in the year when the biennial meeting of the Council is to be held such reports as (a) may have been furnished him reasonably in advance of that time, and (b) have received the approval for length and/or form but not for essential content, of the Executive Committee, together with the program prepared for the Council meeting. The reports shall be presented from the platform and the time allowed for them shall be matters subject to the determination of the General Council on recommendation of the Business Committee.

6. **THE PER CAPITA OR FELLOWSHIP DUES.** At the beginning of each calendar year the General Council shall notify each Conference of the amount requested by the General Council for the per capita or fellowship dues. This request shall be determined on the basis of the total membership of each Conference respectively as listed in the latest published Yearbook, including absent members but excluding the membership of churches designated as inactive in the Yearbook.

7. **TRAVEL FUND.** The setting aside and maintenance of adequate reserves for the travel fund shall be the first charge against the per capita or fellowship dues contributed by the State and District Conferences to the General Council. The Travel Fund shall be distributed among delegates representing Associations and Conferences (a) on the basis of the number of miles from the residence of each delegate to the place of meeting and return by the most direct railway route, and (b) in the ratio of the amount paid for the two calendar years preceding a General Council meeting to the General Council as per capita or fellowship dues by the Conference to which the delegate belongs, to the amount requested by vote of the General Council from said conference.

No person shall share in the distribution of the Travel Fund unless he: (a) is a regularly seated delegate, (b) has been certified to the Credentials Committee before the close of the second day on which sessions of the Council are held, and (c) has attended the Council for more than half of its sessions.

8. **ECUMENICAL MEMBERS.** The American Unitarian Association and the General Convention of the Universalist Church may be represented in the General Council by two delegates each, under the terms of paragraph III. 3. of the Constitution.

9. **FRATERNAL DELEGATES AND INTERDENOMINATIONAL REPRESENTATIVES.** At each biennial meeting such fraternal delegates and interdenominational representatives as it may be deemed desirable to include as corresponding members shall be elected on nomination by the Nominating Committee. *Ad interim* the Executive Committee may make such elections.

10. **BONDS.** The Treasurer and others who handle money of the Council shall give bonds in such sums as the Executive Committee shall require.

11. **COMMISSIONS.**

(a) *Permanent Commissions.* No new permanent commissions shall be appointed until the matter has been referred to the Executive Committee which shall report whether in

its judgment a permanent commission is needed, or the work may be handled by some existing society, committee or commission. The decision shall rest with the General Council.

(b) *Temporary Commissions.* Temporary commissions may be set up from time to time as the General Council may determine, to report at the next meeting of the Council and not to continue beyond that meeting except as ordered by the Council. The Executive Committee at its option may advise the Council concerning the continuance of temporary commissions.

Each commission, unless otherwise provided, shall ordinarily consist of seven active and twenty corresponding members. The active members shall reside within a short distance of some center in order that they may have several meetings without too great an expenditure of time and money. The active list shall be determined at each biennial meeting. The removal of an active member from the vicinity of the place of meeting shall constitute a termination of his active membership and his transfer to the corresponding membership list. The Executive Committee may name a substitute in the active list. Main points at issue shall be presented to corresponding members by mail and final action taken after replies have been received and considered. Each corresponding member shall be notified of the meeting of the commission and such corresponding members as attend may vote.

Effort shall be made to have persons appointed upon commissions who have special contact and first-hand information in the subject under review. Except when its powers are defined by the General Council each commission shall pursue its plan under the general direction of the Executive Committee and shall report to the Executive Committee when requested. The Executive Committee may invite the chairmen of the commissions to meet with it in conference regarding the work of the commissions. In fields of executive activity where societies are at work commissions should not undertake executive responsibility, but should rather make wholly independent studies and report recommendations and advice for the executives of the Council, societies, state Conferences, and churches.

No commission shall incur expense except as authorized by the Council, or its Executive Committee.

Any member, in good standing, of a Congregational Christian church is eligible for services on any commission or *ad interim* committee.

Each commission shall choose its own chairman, but the first named member shall call the first meeting and act as temporary chairman during the organization of the commission.

At least one-third of the members of every continued commission shall be persons who have not been members of it for the preceding term, and at least one-third of the members of every commission shall be unordained persons, with the exception of the Commission on the Ministry, which shall include not less than three unordained members.

For purposes of nomination for positions on commissions and committees and for other positions connected with the Council, "ministers" shall be deemed to be those who have been ordained and "laymen" those who have not been ordained.

12. MINISTERIAL STANDING AND ORDINATION. The General Council recognizes the standards for the ministry approved by the National Council and the General Convention. It is desirable, where feasible, that ministers should be ordained, or their ordinations authorized, by State Conferences.

Full standing in the Congregational as well as in the other denomination involved is approved for ministers who have adequate reason to maintain a double relationship,

such as those who serve federated churches. This standing is not recommended for those whose relationship with the Congregational Christian fellowship would be purely formal. It is only for those who can express their loyalty to the fellowship through some regular channel of the Congregational Christian ministry approved by the local Association or Conference.

13. THE SECRETARY OF THE COUNCIL is instructed to refer actions of the Council affecting the several missionary societies to the respective meetings of the societies in connection with the meeting of the General Council at which such actions are taken, with specific recommendations to the societies that they hold adjourned meetings where necessary in order to act upon such references.

14. The appropriation of money or the modification of apportionment percentages should ordinarily be matters for action by the Executive Committee, and in any event should not be acted upon by the Council itself without prior reference to the Executive Committee for report upon its effect upon budgets and its relationship to other activities.

AMENDMENT. These rules may be amended by a two-thirds vote at any regular meeting, or temporarily suspended in any particular by unanimous consent of the members present.

244 Years of Service

### **WHAT EVERY CLERGYMAN WANTS**

Those who enter the service of the Church know that they must turn their backs on some prizes in order to seek "the prize of the upward call." Wealth, prestige, the cheap success achieved by mediocrity—will not attract the committed minister.

But he does want to achieve a few goals in order to serve "the present age." These are few and simple—reasonable security for the family, an educational fund for children and a hedge against the perils of old age.

The Presbyterian Ministers' Fund makes these objectives its sole aim. The Fund exists for the one purpose of helping the clergyman to help himself. He can depend on this 244 year old organization to assist in making the minister become a more efficient servant of his Master.

# You, too, can carry the church into the home

Many ministers have discovered an effective way of carrying the church into the home by establishing family worship and personal devotions. These ministers have found that with the aid of The Upper Room, they can broaden the ministry of their church and enrich the lives of its members through the practice of daily devotions.

The Upper Room, the world's most widely used devotional guide, contains a daily Bible reading, prayer and meditation. Many ministers like to leave a copy of The Upper Room when they call in the home, or have the church furnish a copy to every family in the congregation. Used either way, clergymen of all denominations have found that The Upper Room helps to carry the church into the home and enrich the lives of its users.

The cost of providing The Upper Room is indeed small. In lots of ten or more to one address, the price is only 7¢ a copy. Consignment orders may be arranged.

Write for a free copy of The Upper Room and folder describing a working plan to place a copy in every home for which your church has the responsibility.

Andover Newton Theological School is an affiliation of Andover Theological Seminary, the oldest Congregational seminary in America (founded 1807) and The Newton Theological Institution (founded 1825). The School is located at Newton Centre within seven miles of Boston and Cambridge. The affiliation of the two schools in 1931 brought together their combined financial resources, libraries and faculties, providing excellent library facilities, and an outstanding faculty. These items, together with the location in greater Boston, make unusual advantages available for theological students interested in taking their professional study in New England.

Andover Newton Theological School has a student body, including its summer school, of approximately 300. These students have the opportunity of taking specialized courses in Harvard Divinity School and Boston University School of Theology without additional expense. In greater Boston and New England are many of the oldest and most famous of the educational institutions of the country. As Andover Newton is in the midst of them, the students can enjoy the cultural and traditional advantages which bring college and professional students to Boston, not only from all over the country, but from all over the world.

Andover Newton Theological School's endowment, in excess of five million dollars, together with contributions from churches, friends and alumni, in excess of one hundred thousand dollars annually, make it possible for this seminary to underwrite approximately \$1,500 of each student's expenses. Therefore, charges to students for board, room and tuition are most reasonable. In addition to underwriting each student for \$1,500 expenses, scholarship grants are made on the basis of need and academic excellence. Neighboring churches offer field work opportunities which further assist the students with their costs and at the same time practical experience. Six dormitories, all new or modernized, provide apartments for married students and rooms for single men and women.

The School grants three degrees: B.D., S.T.M., and M.R.E. The B.D. is granted ordinarily after three years of study and one year of internship; this degree is also granted after three years of study and the writing of a thesis. The M.R.E. is granted to students with similar preparation after two years' study. The S.T.M. is granted after at least a year of graduate study and the presentation of a satisfactory thesis. Both men and women students may be candidates for these degrees.

## SOUTHERN UNION COLLEGE AND MINISTER'S SCHOOL

Wadley, Alabama

Located in the midst of the largest cluster of Congregational Christian Churches in the Southeast Convention, Southern Union seeks to serve the young people of the area through its liberal arts program and the ministers through its Minister's School. Ministers may enroll as resident students and work toward the Bachelor of Philosophy Degree, which requires two years of liberal arts and two years of theological studies.

For those ministers who cannot leave their churches and attend as resident students, the College, in cooperation with the Southeast Convention, has a special in-service training program. Classes are held on the campus for one week each fall and spring, and courses begun at these sessions are continued by correspondence. Outstanding speakers, including Congregational Christian and other national leaders, supplement the college faculty for these convocations. Ministers receive certificates upon the satisfactory completion of this four-year course.

"Every worthy student is entitled to a college education" has been accepted as a theme at Southern Union. Hence, every possible effort is made to locate financial and working scholarships for all students who meet the admission requirements. The nickname "Little Berea" is both appreciated and is a challenge.

Southern Union endeavors to be a genuinely church-related institution. Although affiliated with the Congregational Christian Churches, it welcomes students of all denominations. In order to serve the churches of its area more effectively, Southern Union seeks constantly to improve its ever expanding program of training for religious vocations.

The College is now in the process of a ten-year expansion program which will result in both improving and enlarging its present facilities.

## THE LIBRARY

Books are loaned by mail to ministers and others throughout the United States. Many send a list requesting that books be sent one or more at a time. Your Library has nearly 200,000 books and pamphlets, including the newest books in theology, literature of the Bible, homiletics, religious education, history, missions, church architecture, local church history, church arts, social problems, world affairs, and biography. One of the original aims, when founded one hundred years ago, was the gathering of Puritan literature. The Library continues to specialize in Congregational Christian history. You are invited to borrow all the books you need. Write a letter or send a postal card. Research students may visit the library for study of 17th century rare books.

New postage rates for the entire country apply to books sent and books returned: four cents for the first pound, one cent for each additional pound. Packages should be marked Library Materials.

## CONGREGATIONAL CHRISTIAN MINISTERS IN FULL STANDING

Ministerial standing is constituted by ordination and membership in an association or conference of Congregational Christian ministers and churches. (Local ministers with limited ordination will be found at the end of this list.)

The following is a compilation of the lists furnished by the Conference registrars. Although not reported by a conference or convention, a few names are retained in this list to allow for completion of transfer of membership from one holding body to another. **We endeavor to print the latest information and change of address, as given in this list, up to time of printing.** Because the schedules are processed well in advance of this list, some of the addresses will not coincide with the location shown in the schedules.

Information regarding pastor will be found in the appropriate place in the state report; refer to state and place. If a pastor does not appear in the schedule of the state in which he lives, he may have made a recent change in pastorate. (See last minute revisions following local ministers.)

Ministers have been placed in one or another classification. The classifications follow:

### Church-related ministers:

- p* Pastor of a local church—(co-pastor also *p*)
- as p* All other ordained personnel on church staff, whether associate, assistant, religious education, or any other
- p em* Pastor emeritus

### Secretaries:

- sec* Secretary—full time officers of Congregational Christian boards or agencies (not conference or local church)

### Conference-related ministers:

- supt* Superintendent—chief officer of conference staff (minister, president, et al)
- as supt* All other, full-time, ordained conference staff

### Ministers in Educational Work:

- coll p* College pastor on college staff or denominational campus ministry
- coll pf* College professor
- coll ad* President, dean or other administrative officer
- sch ad* Superintendent of schools, principal, or other administrative officer of a school or schools
- sch t* School teacher
- sem ad* Seminary president, dean or administrative officer
- sem pf* Seminary professor

### Ministers in other categories:

- ch* Chaplain—in military service, veteran's administration, or serving in health, correctional or welfare institutions
- ec m* Ecumenical movement—full-time officers of councils of churches (local, state, national or world level)
- my* Missionary
- ABCFM* American Board missionary
- ncr \** Non church related work (Red Cross, YMCA, etc.)
- orw* Other religious work—staff of Bible Society, Christian Civic League, Mission to Lepers, etc.
- pod* Pastor serving community or other church not Congregational Christian
- ret* Retired from the ministry or not in full-time, gainful employment

\*In order to have a classification for every minister there are some in this group who may be without a charge. This group may also include women ministers who are not at the present time in pastoral or religious work, yet they are not considered retired.
